

Lafayette Recreation Committee
3/2/23

Attendees: Haley Ireland, Adam Boyer, Pete Gaudette, Mike McKeever, Kent Butterfield,

Guests: Kevin Johnson and Kim Cowles.

Kevin is planning an open air market to be sponsored by Franconia Notch Chamber of Commerce. He would like to do it at the rink on Old Home Day. Wanted to make sure LRC didn't have event planned in that space. We do not, so there will be no conflict.

Kim met with committee to discuss transition and needs of new recreation director. Topics discussed included, but were not limited to the website, social media accounts, e-mail, spring sports, summer recreation, field maintenance, Dow scheduling/programming, events, fundraising, triathlon, Wobble Gobble, Halloween Cup, rink, warming hut, inventory. She is willing to meet with and assist new director.
