Soccer Review

- Overall positive feedback from the Jamboree and Pumpkin Cup
People seem happy with the number of teams (cut back from 2019s 55 teams)
The food trucks and crockpots/baked goods were all well received and profitable.
- Complaints: specifically with the 3-4 team, some students had no play time (other than a last minute scrimmage) This is not the message we want to send to this age group, the coach will meet with Kim and Gordie.
Complaints about calls specifically during Whitefield vs. Groveton. Rec, directors received an apology letter in regards to this situation.
- Reviewed Halloween Cup numbers

Basketball

- Waiting until after Holiday break to start
- lack of space is a challenge
- No coach yet for 5-6 or K-2
- 3-4 coach Garret Ferguson, he needs an assistant

Wobble Gobble

- 425 people signed up last year
- Online registration is now live, Matt is helping
- Need more volunteers on the road and 5-7 people for timing, there will be an online signup
- There are bibs
- Pies: we need 6, Halley will ask Pollys, 2 from Crumbum, 2 from Mia Papaya
- Prize is a blanket this year
- Need someone to dress up as the turkey?

Briefly discussed North County Soccer: Mike will do it, we need to change the date

Reviewed the Budget

- Brought in more than predicted

Van

- Looking for a replacement preferably a 15 passenger bus
